## Celebration Stones

Engraved Celebration Stones leave a lasting impression in your garden or yard. Leave your mark carved in stone to proclaim your love, honor someone special, express appreciation, decorate your garden, memorialize a pet, or map a path. You may request a Celebration be placed in the Silver Spring Park. Stones are ideal for your personal garden or as a gift.

The smooth, natural stones are approximately 10 inches in diameter and vary in color. Celebration Stones are \$100 each.

Please print your engraving information exactly as you would like it to appear on the Celebration Stones – limit 40 characters including spaces.
